**2<sup>nd</sup> September 2013**

I got to the office at 9am. I turned on my computer and read my emails. I then talked to some customers, Sara and Raziq. They wanted to go to Dubai. I booked tickets and a hotel for them. I had lunch at 12pm and answered some of my emails. After lunch, I talked to Mr Brown. He wanted to go to Singapore. We talked about fun things to do in Singapore. I left the office at 4.30pm and went home. I felt like I needed a holiday!
