

# READING SKILL 01

## IDENTIFYING MAIN IDEAS

What is the main idea? Choose the correct answer.

Suzy says she hates vegetables. She would not eat any her mom would put on her plate - not broccoli or peas or even carrots! One day after finishing a big bowl of mac 'n cheese, Suzy's mom asked her, "Did you enjoy your lunch, Suzy?" Suzy said, "Yes, it was yummy!" Suzy did not realize that her mom had mixed healthy carrots into her mac 'n cheese. Looks like Suzy does like a vegetable!

- A) Suzy says she hates vegetables.
- B) Suzy's mom made mac 'n cheese.
- C) Susy's mom got Suzy to like eating carrots.
- D) Broccoli is good for you.

Josie's class went on a field trip to the natural history museum. They learned about dinosaurs and saw fossiles of animals that died long, long ago. They saw pictures of different people: their food, their clothes and even how they built their houses! It was very interesting.

- A) There was nothing interesting at the museum.
- B) Josie saw dinosaurs.
- C) Josie learned a lot at the museum.
- D) Josie learned about space.

Brian's mom is going to the grocery store. She needs to get supplies for a big birthday party. She got a shopping cart and filled it with cookies, potato chips, and lots of ice cream to make yummy ice cream sundaes and milkshakes. She had so many grocey bags!

- A) Brian's mom bought bananas.
- B) Brian's mom bought lots of supplies for a big party.
- C) There was no ice cream.
- D) Brian's mom only had one bag.

Jason's family wanted to take a camping trip. They packed their car and drove off down the road. On the way, their car got a flat tire. Yikes! When they got to their camp site, they realized their tent had a hole. Oh no! That night it rained and everyone in the tent was cold and wet. The next day they tried to go fishing but there were no fish in the lake. Grumpy they packed up and went home.

- A) Jason's family had a terrible camping trip.
- B) There were no fish in the lake.
- C) Jason had lots of fun camping.
- D) Their car got a flat tire.
