**Esteban**

The most beautiful place to visit in my city is the Alhambra castle. There has been a castle there since the 9<sup>th</sup> century, although it's only since the 13<sup>th</sup> century that kings have lived there. The best time to visit is first thing in the morning or in the late evening, as the castle gets very busy with tour groups during the day. My favourite part of the castle is the gardens, as they have water running through all of them.

**George**

My favourite place in my town is the sports centre. I go there every weekend to play tennis with my cousin. He's older than me and a really good player, but sometimes I manage to beat him! The sports centre is really big and it has two swimming pools. In the summer when it's hot I like to use the outdoor pool, but my cousin prefers the indoor pool as it's bigger.

**Michele**

I think that the best place to visit near where I live is the local museum. It has paintings from the 15<sup>th</sup> century that are very beautiful and sculptures, too. Most tourists want to take photos of the tower because the city is famous for it, and many of them visit the cathedral that is next to it in the square. Not many tourists go to the museum, so it's always peaceful there.

For each question, choose the correct answer.

	Esteban	George	Michele
1. Whose account tells us about who lived in their favorite place?	A	B	C
2. Who goes to their favourite place with someone else?	A	B	C
3. Whose city is well known for one building?	A	B	C
4. Whose favourite place has a lot of tourists that visit it?	A	B	C

5. Whose favourite place has a lot of beautiful things to look at inside it?      A                  B                  C
6. Who prefers the outdoor facilities at their favourite place?                  A                  B                  C
7. Whose favourite place is quiet?                  A                  B                  C

## Rebecca Miles – wildlife presenter

Rebecca Miles has always loved animals. When she was a child, she liked watching documentaries, TV programmes about real people and events. She also enjoyed going to the local zoo with her grandparents. Her father was an environmentalist, someone who works to protect the natural world, and she and her mother often went on trips with him, travelling to Africa and other parts of the world.

Rebecca studied zoology at university and began her career at a wildlife centre in Zambia. She worked with chimpanzees and studied how they live. She was also interested in learning more about big cats like mountain lions. She made her first TV programme when she was 27. It was a documentary about tigers.
