

# **BEAUTIFUL LIFE**

(by Bebe Rexha)

**I                    lost, but you found me  
Hiding in the shadows from my  
And you saw things that no one else could  
You saved me when I was my worst**

**It feels so                    to be  
   Just you and me  
Don't wake me up from this high  
What a    life  
I heard your    call mine  
And then all the    aligned  
Don't wake me up from this high  
What a beautiful life**

**Spread through me like a wild flame  
I feel it in my  
I'll never ever be the same  
I'll never be the same  
Cheers to the thing    can't buy  
Can't buy what I feel inside  
This thing, I can't deny  
Our pretty little**
