Hi everyone,

I'm having a really _____ *good/well* time in Ireland. At the moment I'm the leader of a group of fifteen teenagers from Spain. I can't speak Spanish very _____ *good/well*, but some of the children can speak English quite _____ *fluent/fluently*. We all do something different every day - yesterday we went mountain biking. It was very hot so we all cycled very _____ *slow/slowly*. But everyone enjoyed it, I think. And last Sunday we went windsurfing. Nobody in the group knew how to windsurf, but they learned _____ *fast/fastly* and some of them were really _____ *excellent/excellently*. In the evenings we usually play games and sing songs together in the centre - there's one girl in the group, Angelica, who can sing really _____ *beautiful/beautifully*. I love the job and I'm very _____ *happy/happily* here. See you next month!

Love

Melanie
