

IF I DIDN'T HAVE YOU

If I were a rich
With a million or two
I'd live in a penthouse
In a room with a view
And if I were handsome
No way
It could
Those dreams do come true
I wouldn't have nothing if I
didn't have you
Wouldn't have nothing if I
didn't have
Wouldn't have nothing if I
didn't
Wouldn't have nothing
Can I tell you something?

For years I have envied

You're green with it
Your grace and your
charm
Everyone loves you,
know
Yes I know, I know, I know
But I must admit it
Big guy you always come
through
I wouldn't have nothing if I
didn't have you
You and me, that's how it
always should be
One without the other, don't
mean nothing to me nothing
to me
Nothing to me
Yeah I wouldn't be nothing,
if I didn't have you to serve
I'm just a punky little
eyeball, and a funky optic
nerve
Hey I told you this,
sometimes I get a little blue
looks on you
But wouldn't have nothing if
I didn't have you.
