

I Wanna Grow Old With You

Another day just passes by
But now i know how much it
means

For you to stay right here
with me

The time we spent apart will
make our love grow

But it hurts so bad i can't
take it any longer

I wanna grow old with

I wanna die lying in your
arms

I wanna grow old with you

I wanna be looking in your
eyes

I wanna be there for you,
sharing everything you do

I wanna grow old with you

A thousand miles between us
now

It causes me to wonder how

Our tonight remains so
strong

It makes our risk right all
along

The time we spent apart
will make our love
grow stronger

But it hurt so bad i can't
take it any longer

I wanna grow old with you

I wanna die lying in your
arms

I wanna grow old with you

I wanna looking in your
.....

I wanna be there for you,
sharing everything you do

I wanna grow
old with you

Things can
come and go

I know but

..... I believe

Something's
burning
strong between
us

Makes it clear
to me
