Old Mr McGraw had been murdered and everybody was wondering who **1** _____ (do) it. Two police officers were speculating about the murder.

SEBASTIAN: It **2** _____ (be) Mrs McGraw. I'm totally convinced it was her. She absolutely hated him. She **3** _____ (use) a kitchen knife as the murder weapon, or maybe an axe from the garden tools.

JESSICA: It **4** _____ (be) Mrs McGraw. She isn't strong enough to drag the body and put it in the car boot. It **5** _____ (be) their older son; I would bet all my money it was him. He had motive, because Mr McGraw had disinherited him long ago, and everybody knew they hated each other.

SEBASTIAN: Impossible. It **6** _____ (be) their older son because he has a plausible alibi. He was fishing with his brother at the time of the crime, he testified.

JESSICA: Then the younger son **7** _____ (lie) to protect his brother. They **8** _____ (agree) on an alibi after the murder. If you think about it, they **9** _____ (plan) the murder together. It's a reasonable possibility. Maybe the younger son was afraid that his father would disinherit him too; they had a difficult relationship.

SEBASTIAN: That makes sense. They killed him so that at least one of them could get the inheritance.

JESSICA: Well, if they wanted to get the money from the inheritance, they **10** _____ (kill) their father. Because now we'll catch them and they will be in prison and without a penny.
