Read the dialogue and find out 7 words linked to summer

Alex: Would you like to spend a month at a summer camp, Andy?
Andy: It sounds great. Is it possible?
Alex: Sure. We'll have a lot of fun together.
Andy: I like the idea. But will our parents let us go?
Alex: I think they will. A summer camp is usually in a forest, which is good for us.
Andy: I hope I can learn how to ride a horse there.
Alex: That's my dream too.
