Alex: Would you like to spend a month at a summer camp, Andy?

Andy: It sounds great. Is it possible?

Alex: Sure. We'll have a lot of fun together.

Andy: I like the idea. But will our parents let us go?

Alex: I think they will. A summer camp is usually in a forest, which is good for us.

Andy: I hope I can learn how to ride a horse there.

Alex: That's my dream too.
