B. The District of Columbia-Fun Facts

Read the text, and select yes or no to answer each question below.

Not a state, this area is both the city of Washington and the District of Columbia.

The official name is Washington, D.C. The Washington is after George Washington and the C (Columbia) is after Christopher Columbus.

The flag of D.C. was based off of George Washington's family's coat of arms.

The states of Maryland and Virginia ceded land for Washington D.C.

The land was originally called Federal City. It was renamed officially by congress in 1790.

Residents of D.C. must pay federal taxes, but they do not have representation in congress.

George Washington never got to live in the White House. It wasn't officially called the White House until 1901. Before that it was referred to as the President's House or Palace.

Is the District of Columbia a state?

Is the area just a city?

Was it named after George Washington only?

Was it always called the same?

Was it renamed in the 18th century?
