

Choose a verb from the box to complete the paragraph.  
Don't forget to change the way of the verb.

go	like	work	be	learn
come	is	say	visit	speak
have	think	is	not understand	is

Carol **is** my English teacher, she **is** in my school from Monday to Friday, she **comes** from London, she **has** been to Mexico five years ago, she **has** been out of her country since 2015.

She really **likes** Querétaro, last summer she **travelled** to La Sierra Gorda, and next year she **will travel** to other states in México.

She **has** many friends from different countries around the world and she **speaks** many languages now she is **learning** Japanese because she is **interested** about visiting Japan someday.

Last year she **met** my brother teacher, he **had** her so much because of her British accent.
