- 7 Complete the text about the Gulf Stream with the correct form of the verbs in parentheses.

What would happen if there wasn't a Gulf Stream?

The Gulf Stream is a stream of warm water that begins in Florida and travels across the Atlantic Ocean. As a result, countries on the west coast of Europe have warmer climates. If the Gulf Stream

¹ _____ (stop) flowing, Europe ² _____ (be) very different. Countries like Great Britain ³ _____ (become) much colder, and spring and summer ⁴ _____ (not / last) as long. Farmers ⁵ _____ (not / be able to) grow certain types of food, and heating costs ⁶ _____ (go up). So if we ⁷ _____ (not / have) the Gulf Stream, a lot of Europeans ⁸ _____ (have to) change the way they live.
