MATCH THE BEGINNING OF EACH SENTENCE TO THE END OF THEM

If we dump chemicals into rivers

We will endanger our oxygen supply

The Earth's resources will be exhausted

If we don't cut down on waste rapidly

If we want to help the planet

if we don't stop cutting down so many trees

we will threaten our own existence

then we will have to change our habits

we won't be able to swim in them.

if the human population continues to grow
