I suppose almost everyone would agree that zoos have (A1) ... well deserved reputation (A2) ... being useful institutions. In recent years, however, there has been a good idea of (A3) ... opposition (A4) ... them and this is justified to (A5) ... certain extent because it is the fact that zoos can exist either by depriving animals (A6) ... their liberty or breeding them (A7) ... unnatural captivity (неволя). The opponents say that it is cruel. But at the same time this can hardly be compared with killing animals in (A8) ... wild.
