A Skim the emails. What city is famous for small plates of food? Where is a good place to ride your bike at night?

Barcelona is simply awesome! The city is famous for the architect Antoni Gaudí. I've seen a different Gaudí building every day. Gaudí designed some amazing places like the church *La Sagrada Família*. Workers started building the church in 1882, but it isn't finished yet. Some people say it might be finished by 2030. I've also visited *Las Ramblas*, a street with great cafés. I've eaten delicious tapas every day. A *tapa* is a small plate of food. My friends and I usually order several tapas and share them. The weather is great! I think I came here at just the right time of the year.

I've discovered that Cartagena has two different personalities. One is a lively city with fancy restaurants and crowded old plazas. And the other is a quiet and relaxing place with sandy beaches. If you come here, you should stay in the historic district – a walled area with great shopping, nightclubs, and restaurants. It has some wonderful old Spanish buildings. Last night I learned some salsa steps at an old dance club. Today, I went on a canoe tour of *La Ciénaga* mangrove forest.

Bangkok is the most exciting place I've ever visited. There's something for everyone. You can surf or swim with sharks. Or why not try out some extreme cycling at Peppermint Bike Park? The park has two great bike paths. You can ride your bike there until 10:00 at night. I ate the most delicious food in Bangkok, including the famous pad thai – a spicy noodle dish. At night, there are clubs, restaurants, cafés, and movie theaters to visit. It's impossible to be bored. I love it!
