Unit 10 ECOTOURISM

1 Listen and read.

Travel agent: Good morning. What can I do for you?

Mr Collins: Good morning. We're thinking about a trip to Australia.

Travel agent: Do you want to know more about culture or nature there? Or do you just want to relax?

Mrs Collins: Nature ... Both of us love nature.

Travel agent: In that case, I suggest an eco tour.

Mrs Collins: Eco tour? What's that?

Travel agent: Well, eco tours involve travel to areas of natural or ecological interest to observe wildlife and learn about the environment. Ecotourism is also sustainable.

Mr Collins: That sounds interesting. What can we do on an eco tour?

Travel agent: You can see different kinds of animals like crocodiles, snakes, frogs, birds, butterflies and other rare animals. You can go scuba-diving and see the coral reefs.

Mrs Collins: How many days do we need to do all these activities?

Travel agent: About four days. If you also want to go on a camping safari, you'll need another three days.

Mr Collins: Um... I'm not sure if we can manage a week. But if we could take the seven-day tour, how much would it be per person?

Travel agent: About 3,000 dollars, including airfare.

Mr Collins: OK, thanks for your help. We'll think about it and come back tomorrow.

Travel agent: Another thing ... if you book early and pay two months before departure, you'll get a two per cent discount.

Mrs Collins: Sounds good! Thanks for letting us know. Goodbye.
