A

B

C

D

This, that, these and those

Complete each sentence with *this*, *that*, *these* or *those*.

A

I really like _____
picture. What about you?

B

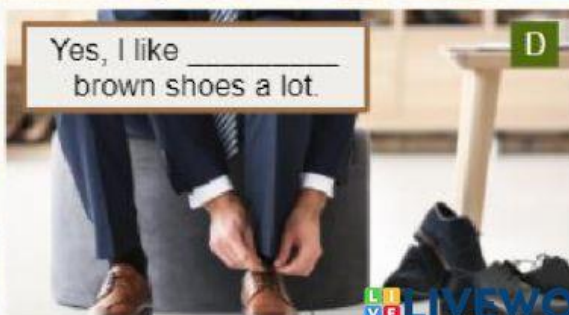

_____ man is your
grandfather, right?

C

Can you see _____
birds in the tree?

D

Yes, I like _____
brown shoes a lot.

At the store

Put the conversation in order. A is first in the conversation.

A. Excuse me, how much is this shirt?

B. OK, well, look over there. Those shirts near the door have long sleeves. Take a look.

E. Hmm. OK, and how much is that blue shirt?

C. Oh, I want a shirt with long sleeves.

D. That shirt is \$26.00, but it has short sleeves.

F. It's \$17.95.

At the secondhand store

You are in this store. Ask about the things you can see.
