I Know

There are times when we only remember God when we are in deep sorrow or in great need. This should not be the case. We should never stop thanking and expressing our love for God who is the provider of all the wonderful things around us.

How about you? What do you usually ask from God?

When someone does a favor for you, say "Thank you." This shows your appreciation and gratefulness to the person who did something good to you.

Let us thank God for giving us life and blessings.

I Must Know

There are reasons why we are here on earth. One is to praise and thank God for all the blessings He is giving us. Another is to take care of all His creations. Let us appreciate our Lord in all the days of our lives because everything that we have comes from Him.

Here is a song titled "Give Thanks." The song tells us that the Lord has given us everything, including His Son.

Give Thanks

Composed by Don Moen

Give thanks with a grateful heart
Give thanks to the Holy One
Give thanks because He's given Jesus Christ, His Son
Give thanks with a grateful heart
Give thanks to the Holy One
Give thanks because He's given Jesus Christ, His Son

And now let the weak say, "I am strong"
Let the poor say, "I am rich"
Because of what the Lord has done for us
And now let the weak say, "I am strong"
Let the poor say, "I am rich"
Because of what the Lord has done for us
Give thanks

VOCABULARY

siblings – brothers or sisters

It is a blessing that our parents, **siblings**, relatives, and friends are given to us and love us. We have to be grateful to God for all of our loved ones because without them, our life will be empty. Let us all remember that "no man is created for himself alone."

I Will Do

There are a lot of things that we have to thank God for. He has given us our life, parents, relatives, friends, and playmates. Always say a prayer and offer God never-ending thanks before and after bedtime.

Divide yourselves into three groups. Each group will do or demonstrate how to thank God for the blessings he or she receives.
