

Used to

My name is David and I want to tell you about some things that used to happen in my life.

When I was younger, I used to go to school every day at 7 am, I graduated and now I go to work everyday at 8 am. I used to spend a lot of time with my friends, now I am very busy and do not see them much. When I was a child, I used to get sick all the time, now I am stronger and healthier and do not get sick often. When my daughter was younger, I used to read bed stories for her every night, now she reads them by herself. My wife used to stay at home, now she has a job.
