2. Write the name of the corresponding province. (3.5 points each)

A map of Peru with 10 regions highlighted in purple, representing the Andean area. The regions are numbered 1 through 10 from north to south. To the right of the map is a list of 10 empty boxes for writing the names of the provinces, each preceded by a number from 1 to 10. Below the map is a box containing the word "Andean".
