_____

Lesson 12

1 **Read and write the names of the months.**

March, December, July, September, ~~February~~, May

1) This month is very cold. It often snows and it's freezing. People put on warm coats, hats, scarves and mittens. Children go sledging and make a snowman. In this month we have St Valentine's Day. *February*
2) The weather is warm in this month. All the trees are green and the flowers bloom. Birds sing songs and children wait for the end of the school year. _____
3) It is the first month of a new school year. It is still warm and sunny, but it rains sometimes. There are a lot of fruit and vegetables in the gardens. People go to the forest to gather mushrooms. _____
4) It is the last month of the year. It is cold and windy. It often snows. Sometimes it's slippery. At the end of the month people prepare to celebrate the New Year. _____
5) It is the hottest month of the year. People go to the seaside to swim and sunbathe. Sometimes there are thunderstorms, but they are not long. Schoolchildren are happy to have their holidays. _____
6) It is the first month of spring. The snow melts and the first spring flowers start blooming. There are no leaves on the trees but the days get warmer and longer. In Ukraine in this month we celebrate Women's Day. _____
