Hi Afiq,

How are you? I thought I'd send you an email to tell you what I like to do in my free time. I like to go jogging and swimming but my favourite hobby is surfing. Do you like surfing?

I love to go surfing on the weekends if the waves are good. I usually go surfing by myself but sometimes I meet my friends at the beach. I have been surfing for five years. I started surfing when I was nine years old.

I wear a wetsuit to protect my body from the sea and the sun. I like to go surfing because it is exciting.
