

Always (Live From London 95 DVD)

This Romeo is bleeding but _____ his blood

It's nothing but some feelings

That this old dog kicked up

It's been _____ since you left me

Now I'm drowning in the flood

You see I've always been a fighter

But without you I _____

Now I can't sing a _____

Like the way it's meant to be

And I guess I'm not that good anymore

But baby that's just me

And I will love you, baby, always

And I'll be there forever and a day, always

Now your pictures that you left behind

Are memories of a different life

Some that made us laugh, some that made us _____

One that made you have to _____

What I'd give to run my fingers through your hair

To touch your lips, to hold you near

When you say your _____, try to understand

I've made mistakes, I'm just a _____

When he holds you close, when he pulls you near

When he says the words you've been needing to hear

I'll wish I was him 'cause those words are mine

To say to you till the end of _____

And I will love you, baby, always
And I'll be there forever and a day, always

If you told me to cry for you, I _____
If you told me to die for you, I _____
Take a look at my face: there's no price I won't pay
To say these words to you.

Well, there ain't no luck In these loaded dice
But, baby, if you give me just one more try
We can pack up our old dreams and our old lives
We'll find a place where the sun still shines.

And I will love you, baby, always
And I'll be there forever and a day, always

I'll be there when the stars don't shine
Till the heavens burst and the words don't rhyme
And I know when I die, you'll be on my mind
And I'll love you, always, always

Through the wind, through the snow
Through the driving rain
I'll crawl all the way home
Baby, baby, baby, baby
To be back in your _____
Just to taste your _____
Just to hear you say
"Baby, I'm alright now that you're back"

And I will love you, baby, always
And I'll be there forever and a day, always
I'll be there when the stars don't shine
Till the heavens burst and the words don't rhyme
And I know when I die, you'll be on my mind
And I'll love you, always.
