Doctor Nadia : Good morning! How can I help you?

Patient : I'm not very well. I have a cough.

Doctor Nadia : Do you have a _____?

Patient : Yes, I have a fever at night. It's around 37.5 degrees.

Doctor Nadia : Do you have headache?

Patient : Yes, I have a terrible _____ in the morning when I wake up.

Doctor Nadia : Do you sneeze?

Patient : No, I don't. But sometimes I _____ dizzy.

Doctor Nadia : Ok! I'll have a look at you. Let me check your _____

Patient : Right!

Doctor Nadia : Let's see. 39 degrees. That's high!

Patient : What's wrong with me?

Doctor Nadia : I think, you have _____ fever.

Patient : What should I do?

Doctor Nadia : You should take lots of rest and drinks _____ of water.

Patient : Alright doctor.

Doctor Nadia : I'll give you _____ and take them twice a day after meal.

Patient : All right, thank you very much.

Doctor Nadia : You're _____
