COLDPLAY-LIFE IN TECHNICHOLOR II

1. Listen and write the correspondent word.

There's a _____ wind blowing

Down the _____ of my street

Every night there the _____ are glowing

There's a cold war _____,

On the radio I heard

Baby it's a _____ world

Oh, love, don't let me _____

Won't you take me _____ the streetlights _____

I can hear it coming

I can hear the _____ sound

Now my feet won't _____ the ground

Time came a-_____

Oh and time's a loaded _____

Every road is a _____ of light

It goes o-o-o-on

Time'll leak and _____ you on

Still it's such a beautiful _____

Oh oh love, don't let me go

Won't you take me where the _____ glow

I can hear it coming

Like a serenade of _____

Now my feet won't touch the ground

Gravity release me,

And don't ever hold me down

Now my feet won't touch the ground
