

Proper Adjectives

Name: _____

A proper adjective is an adjective that comes from a proper noun. Remember that a proper noun is the name of a specific person, place, or thing. For example, something that comes from **England** can be described using the proper adjective **English**. Some proper adjectives come from the name of a ruling leader. For example, the time that Queen **Victoria** was on the throne is known as the **Victorian** Age. **Read each sentence. Circle the proper noun. Choose the proper adjective from the word box that matches the proper noun in the sentence and write it on the line next to the sentence.**
