- 1 When I'm older, I think I'll live in London. I want to be a singer, and there's more work there. It won't be easy, but I hope I'll be famous one day.
- 2 I think that in the future the world will be a better place. We won't have wars, and scientists will find cures for a lot of diseases. Most people will live a lot longer.
- 3 People won't go to work in offices in the future. They'll work at home and use the Internet. People won't work in factories, either. Robots will do everything, so everybody will have a lot of free time.

- a Education in the future
- b My future
- c The future for my family
- d Space travel
- e The future of the world
- f Work in the future
