

READING TASK

Aim in relation to the ILEX Syllabus: Understand general and specific information in written texts about major historical events in Latin America and the world

Language Function: Describing important events and situations in the past

Grammatical Structure: Past Simple and Past Continuous

Expected time to develop the task: 30min

History Makers

Simón Bolívar
1783–1830

Called *Libertador* (Liberator), Bolívar was a brilliant general, a visionary, a writer, and a fighter. He is called the "George Washington of South America." Bolívar planned to unite the Spanish colonies of South America into a single country called Gran Colombia. The area of upper Peru was renamed Bolivia in his honor.

Discouraged by political disputes that tore the new Latin American nations apart, he is reported to have said, "America is ungovernable. Those who have served the revolution have ploughed the sea."

José de San Martín
1778–1850

Unlike the dashing Bolívar, San Martín was a modest man. Though born in Argentina, he spent much of his youth in Spain as a career military officer. He fought with Spanish forces against Napoleon. He returned to Latin America to be a part of its liberation from Spain. Fighting for 10 years, he became the liberator of Argentina, Chile, and Peru.

Discouraged by political infighting, San Martín sailed for Europe. He died, almost forgotten, on French soil in 1850.

The South American wars of independence rested on the achievements of two brilliant creole generals. One was **Simón Bolívar** (see•MAWN boh•LEE•vahr), a wealthy Venezuelan creole. The other great liberator was **José de San Martín** (hoh•SAY day san mahr•TEEN), an Argentinian.

Bolívar's Route to Victory Simón Bolívar's native Venezuela declared its independence from Spain in 1811. But the struggle for independence had only begun. Bolívar's volunteer army of revolutionaries suffered numerous defeats. Twice Bolívar had to go into exile. A turning point came in August 1819. Bolívar led over 2,000 soldiers on a daring march through the Andes into what is now Colombia. (See the 1830 map on page 685.) Coming from this direction, he took the Spanish army in Bogotá completely by surprise and won a decisive victory.

By 1821, Bolívar had won Venezuela's independence. He then marched south into Ecuador. In Ecuador, Bolívar finally met José de San Martín. Together they would decide the future of the Latin American revolutionary movement.

San Martín Leads Southern Liberation Forces San Martín's Argentina had declared its independence in 1816. However, Spanish forces in nearby Chile and Peru still posed a threat. In 1817, San Martín led an army on a grueling march across the Andes to Chile. He was joined there by forces led by Bernardo O'Higgins, son of a former viceroy of Peru. With O'Higgins's help, San Martín finally freed Chile.

In 1821, San Martín planned to drive the remaining Spanish forces out of Lima, Peru. But to do so, he needed a much larger force. San Martín and Bolívar discussed this problem when they met at Guayaquil, Ecuador, in 1822.

No one knows how the two men reached an agreement. But San Martín left his army for Bolívar to command. With unified revolutionary forces, Bolívar's army went on to defeat the Spanish at the Battle of Ayacucho (Peru) on December 9, 1824. In this last major battle of the war for independence, the Spanish colonies in Latin America won their freedom. The future countries of Venezuela, Colombia, Panama, and Ecuador were united into a country called Gran Colombia.

Struggling Toward Democracy

Revolutions are as much a matter of ideas as they are of weapons. Simón Bolívar, the hero of Latin American independence, was both a thinker and a fighter. By 1800, Enlightenment ideas spread widely across the Latin American colonies. Bolívar combined Enlightenment political ideas, ideas from Greece and Rome, and his own original thinking. The result was a system of democratic ideas that would help spark revolutions throughout Latin America.

a. Who were:

Simon Bolívar

Jose de San Martín

b.

How did events in Europe lead revolution in the Spanish colonies?

What tactics did San Martín and Bolívar use to defeat Spanish forces in South America?

c.

Name the Latin America countries that received their independence from Spain.

After winning South American independence, Simón Bolívar realized his dream of Gran Colombia, a sort of United States of South America.

The Latin American independence movement is one example of how the Enlightenment spread democratic ideals throughout the world. Democratic ideals continue to inspire people to struggle for political independence and to overthrow oppressive governments.
