WORKSHEET in MATHEMATICS 4
Third Quarter
Week 7 - Day 1-2

MOST ESSENTIAL LEARNING COMPETENCY

Visualizes the perimeter of any given plane figure in different situations. (M4ME-IIIg-48)

OBJECTIVE

- Demonstrates understanding of the concept of time, perimeter, area, and volume.
 - Apply the concepts of time, perimeter, area, and volume to mathematical problems and real-life situations
- Give the perimeter of each figure.

A. Square
