| 5. When air is polluted.                           | e. Noise          |
| 6. Containers for things that can be recycle.      | f. Reduce         |
- 
- |         |         |         |
|---------|---------|---------|
| 1. .... | 2. .... | 3. .... |
| 4. .... | 5. .... | 6. .... |

**IV** Choose a correct word in the box to write down under the picture.

plastic bag	water	bin	plastic bottle
rubbish	noise	can	paper

1.....

2.....

3.....

4.....

5.....

6.....

7.....

8.....

**V Choose and write suitable words to fill in each column.**

<i>plastic bag</i>	<i>electricity</i>	<i>plastic bottle</i>	<i>can</i>	<i>rubbish</i>
<i>noise</i>	<i>pollution</i>	<i>paper</i>	<i>water</i>	<i>gas</i>
<i>envelop</i>	<i>newspaper</i>	<i>glass</i>	<i>bulb</i>	

recycle	reuse	reduce
.....	.....	.....
.....	.....	.....
.....	.....	.....
.....	.....	.....

**VI Match a suitable clause in column A with one in column B.**

A	B
1. If the air is polluted,	a. if his mother plant a rose tree ?
2. If people make noise,	b. if there are no plants and animals?

## C. READING

### IX Read the passage and do the tasks.

Environment is an important part of our life. A clean environment is necessary for a peaceful and healthy life. An environment helps human beings, animals and other living things to grow and develop naturally. But nowadays, people are destroying environment in many different ways. There are many kinds of pollution such as air pollution, soil pollution, water pollution. It does not only ruin human lives but also affects on all living beings.

We can save our environment by many ways : recycling, reusing, and reducing. We can recycle plastic bottles and plastic bags. We can also reuse plastic bags or old bottles. We should reduce the amount of waste, noise and electricity. It is very important to save environment. When we protect the environment, we are protecting ourselves and our future as well.

1. Is environment an important part of our life?  
 .....
2. What does environment help?  
 .....
3. Which kind of pollution is not mentioned in the passage?  
 A. air pollution                                      B. soil pollution  
 C. river pollution                                      D. water pollution
4. How many ways can we do to save our environment?  
 A. four                      B. two                      c. three                      D. one
5. According to the writer, we can save our environment by recycling plastic bottles and .....  
 A. papers                      B. electricity                      c. noise                      D. plastic bags

### X Complete the following dialogue by choosing words in the box.

*protecting*      *sounds*      *are*      *environment*      *around*

Tom: Hi Joe, what (1)..... you doing?

Joe: I'm thinking about a program for (2)..... environment.

Tom: I hope you like the discussion about environment in our class this morning.

Joe: Yeah, it was so interesting and shocking. We have done many bad things to our (3).....

Tom: What will our class do for the program?

Joe: We will walk (4)..... the beach and collect plastic bags, bottles and cans. The beach will be clean and these things will be recycled in factories.

Tom: That (5)..... great.

Joe: Yeah! Now, let's put these packets of milk into the bin over there.

Tom: That's right.
