

I'm Still Here

again reasons way changing you sunrise waiting
here told goes everybody remember sees with
know holding still around nobody tomorrow sorry
nowhere same everyday fly love flowers birds
winter strong like summer

Take a look _____ you, everything is _____.

Everything we _____, it won't be the _____

Cause it's just _____ you say:

That's the way _____ goes.

All the pretty _____ and the _____ in the window

Staying for the _____, gone in the _____.

Birds _____ away,

That's the _____ love _____.

But I'm _____ here.

I _____ you, I ain't going _____.

I'm still in love _____ you,

Cause _____ sees me the way you do.

You keep me _____, so _____ I'm holding on.

It will be you and me _____,

Just the two of us again.

Don't say you're _____ just because you left me.

You don't need to tell, cause I know you had your _____.
_____ does.

That's the way love goes.

Baby, you know where to find me, I will still be _____

Waiting for the _____, even when it's raining.

As for _____, nobody knows.

Just _____ that

I'm still _____.

I told _____, I ain't going nowhere.

I'm still in love with you,

Cause nobody _____ me the way you do.

You keep me strong, so everyday I'm _____ on.

It will be you and me again,

Just the two of us again.
