# Count & Mark

Count the heroes in each box and mark the correct number

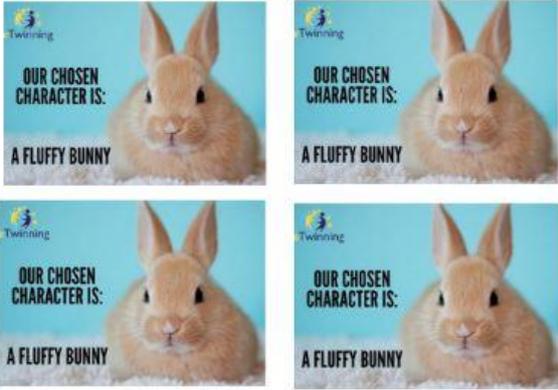

A collection of six teddy bears with grey and white fur, arranged in two rows of three. Each bear is set against a red background.

5   9   7   6

A collection of nine dolls with red hair and colorful, patterned dresses, arranged in three rows of three. Each doll is set against a light grey background.

8   9   6   7

Four identical cards, each featuring a close-up of a light brown bunny's face. The text on each card reads: "OUR CHOSEN CHARACTER IS: A FLUFFY BUNNY".

4   5   7   6

A collection of ten identical cartoon elf characters wearing green hats and red scarves, arranged in three rows: the first two rows have four characters each, and the third row has two characters.

8   9   6   10
