New fashion trends

Here is our report on what clothes are in fashion in Paris and Milan. This season, girls are wearing long tops in bright colours, with flowery or striped leggings. They aren't wearing baggy trousers and tops. Dresses are back as well this year – but they aren't long. Girls are wearing short, flowery dresses in bright colours. If you aren't warm enough, you can wear a short cardigan with your dress. What about boys? Boys are wearing smarter clothes than last year. They aren't wearing baggy T-shirts or old jeans anymore. Boys are wearing striped polo shirts with long sleeves and cotton trousers with a belt. For the beach, boys are wearing more comfortable clothes. They're wearing long shorts, striped T-shirts and brightly-coloured baseball boots. Blue and red are the most popular colours. Is that fashionable enough for you? We think so!
