Superstition

Stevie Wonder

Rearrage the lyrics

Very superstitious, nothin more to say,

Then you suffer, Superstition aint the way, yeh, yeh.

Very superstitious, writings on the wall,

When you believe in things that you dont understand,

Keep me in a daydream, keep me goin strong,

Then you suffer, Superstition aint the way, no, no, no

You dont wanna save me, sad is my song.

Seven years of bad luck, good things in your past

When you believe in things that you dont understand,

Seven years of bad luck, the good things in your past.

Very superstitious, wash your face and hands,

Then you suffer, Superstition aint the way

Thirteen month old baby, broke the lookin glass,

Very superstitious, the devils on his way,

Rid me of the problem, do all that you can,

Very superstitious, ladders bout to fall,

When you believe in things that you dont understand,

Thirteen month old baby, broke the lookin glass
