The FIFA World Cup, occasionally called the Football World Cup, but usually referred to simply as the World Cup. The championship has been awarded every four years since the first tournament in 1930, except in 1942 and 1946 when it was not contested because of World War II.

During the 19 tournaments that have been held, eight nations have won the title. Brazil is the only team to have played in every tournament and have won the World Cup a record five times. Italy is the current champions and has won four titles, and Germany is next with three. The other former champions are Uruguay, winners of the inaugural tournament, and Argentina, with two titles each, and England and France, Spain with one title each.
