

CHANCE - EVENTS

1. Choose a label to match each statement

certain

very likely

even chance

unlikely

impossible

- a. I bought a ticket in a raffle and I will win.
- b. Our next teacher will be six years old.
- c. The next castle captain will be from 3er form.
- d. If I drop an egg on the road, it will break.
- e. We will do maths on our next day at school.
- f. It will be warmer in December than in May.
- g. I will see a lion on the way home from school.
- h. This year half the students in my class will grow tails.
- i. The next student I see will have been born after 2000.
- j. If I toss a coin, it will come up heads.

2. Write the letter of each part of Question 1 in the table below to show each statement's chance.

Will always happen	Will sometimes happen	Will never happen
