

My favorite City

My favorite city is New York City. I love to see all the interesting landmarks there. I always visit the Statue of Liberty and the Empire State Building. It is also fun to explore different areas of the city. My favorites are Chinatown and Manhattan. Most importantly, New York City is full of energy. People from all over the world walk on its streets, play in its parks, and eat its wonderful food. I never feel bored or alone when I am there. I truly love New York City.
