Last names: _____

GRAMMAR

Exercise 1

Choose the correct adverbs of quantity to complete the sentences.

- 1 If we encourage people to ride their bikes to work, there will be pollution.
- 2 I think there should be hybrid taxis, which would cut back on air pollution.
- 3 This news station doesn't give traffic information.
- 4 Is it a holiday today? There are cars on the road than usual.
- 5 I don't really like riding the subway. The trains make noise.
- 6 There aren't parking spaces at the train station for all the people who take the train to work.
- 7 There are traffic lights on this street, and they always seem to be red!
- 8 Let's wait for the next train. There seats for us to sit on this one.
