Theory as Model Building

Young children learn much about the world around them by playing with toy versions of real objects. For instance, they often put together models of cars, trains, or planes. These models are far from realistic, but the model-builder learns a lot from them nonetheless. The model illustrates the essence of the real object it is designed to resemble. (In addition, for many children, building models is fun.)

Indicate the reference of each pronoun.

The reference of *them* in line 2 is

The reference of *they* in line 3 is

The reference of *them* in line 5 is

The reference of *it* in line 5 is
