Using the computer

First, find and click on the paint program on your computer.

After your paint program opens, look at the screen. On the left, you can see many small pictures called icons. Click on the pencil icon.

Using the pencil, draw a picture on the screen. If you make a mistake, don't worry. Just use the eraser icon to get rid of any mistakes.

Now you are finished with your drawing.

Do you think **it** looks boring? Add a little color! Click on the paintbrush icon to add color. Now you're done!
