

Steven Tyler and Nuno Bettencourt perform the hit "[More Than Words](#)" at the 2014 Nobel Peace Prize Concert in Oslo.

Saying I love you  
Is not the words I want to hear from you  
It's not that I want you  
Not to say, but, if you only .....

How easy, it ..... to show me how you feel  
More than words, is all you ..... to make it real  
Then you ..... have to say, that you love me  
Cos I'd already know  
....., if my heart was torn in two  
More than words to show you feel  
That your love for me is .....  
....., if I took those words away  
Then you couldn't make things new  
Just by saying I love you  
More than words...  
More than words...
