Name: _____ Main Idea/Details

The Apple Orchard

Every fall, Ms. Cook's class takes a field trip to the apple orchard. When they arrive they get to try many apple foods. Homemade cider and donuts are a favorite! It is then time to go in the orchard to pick apples. They ride in a wagon pulled by a tractor. Each student will get a basket to pick and put their apples in to take home. The class will make applesauce tomorrow at school with their freshly picked apples. The students in Ms. Cook's class love this field trip.
