C. Presentations - Bài thuyết trình

Topic: Talk about Tet holiday

- Hello, everyone. My name is.....I'm.....years old. I come from Vietnam.
- Today, I'm very happy to introduce a Vietnamese traditional festival called "Tet".
- This is the greatest occasion for family members to return home and get together.
- Well, Tet falls around late January or early February.
- Before Tet, we go to the market and buy many flowers and trees like marigolds, peach trees or apricot yellow trees.
- You know, we clean and decorate our houses. We make special food such as banh chung, banh tet and so on. They're really delicious.
- On New Year's Eve, we watch firework displays. After that, we have a big party.
- During Tet, we visit our grandparents, relatives, teachers and friends. We give each other our best wishes.
- One more thing, children get lucky money from their parents and grandparents. You know, that's very interesting.
- I make sure that you will love Tet holiday when you come to Vietnam.
- Thank you for your attention. Goodbye. See you again.
