The screenshot shows the Microsoft Excel ribbon with the 'Page Layout' tab selected. The 'Orientation' dropdown menu is open, showing two options: 'Portrait' and 'Landscape'. The 'Portrait' option is highlighted with a green border. The 'Landscape' option is also highlighted with a red border. The 'Orientation' button itself is also highlighted with a red border. The 'Page Layout' tab is highlighted with a red border. The 'Home' and 'Insert' tabs are also highlighted with red borders. The 'Formulas', 'Data', 'Review', and 'View' tabs are not highlighted. The 'Margins', 'Size', 'Print Area', 'Breaks', 'Background', and 'Print Titles' buttons are also visible. The 'Width', 'Height', and 'Scale' settings are visible on the right side of the ribbon. The 'Themes' section is visible on the left side of the ribbon. The 'fx' button is visible in the formula bar. The 'L' and 'I' characters are visible in the worksheet cells. The 'LIVEWORKSHEETS' logo is visible in the bottom right corner.
