CHOOSE THE CORRECT OPTION

Professional musicians make a **(life/living)** playing and recording music. Not all musicians are **(songwriters/tune-writers)**, although some do write their own tunes. Being a musician is not easy. Unless they're famous, musicians often make very **(little/few)** money. In terms of pop/rock music, when several musicians decide to make music together, they **(form/formalize)** a band. If a band is successful, they can get **(written/signed)** to a record **(label/tag)**, which will give them a chance to record and **(release/throw)** CDs. Many musicians love to play **(live/alive)**. They love the **(feel/feeling)** they get when they play in front of a big **(audience/auditorium)**.
