

1 Looking at diagrams A-D in your book page 40, write three more sentences comparing the following. (You can refer to Exercise 5 of your book page 41 for reference.)

1. Male / female literacy rates in Africa
2. Patients per doctor in Nepal / Latvia
3. The proportion of the world's population living in rural areas in 1990/2025

2 Look at the table below to answer the questions that follow.

	Los Angeles	London	Shanghai	Mexico City	Tokyo
Population (millions)	12.5	13	13.6	16.9	27.2
% Homes with water/electricity	94	100	95	94	100
Murders per 100,000 people	12.4	2.5	2.5	27.6	1.4
% Children in secondary school	90	58	94	62	97
Levels of ambient noise (1-10)	6	8	5	6	4
Traffic/km per hour in rush hour	30.4	16.6	24.5	12.8	44.8
Clean air (score out of ten)	3	7	7	2	7

1. Which city is the noisiest? _____
2. Which city has the worst air pollution? _____
3. Which city has the heaviest traffic congestion? _____
4. Which city is the safest to live? _____
5. Which city has the fewest inhabitants? _____
6. Which city is best supplied with basic services? _____

3 Look at the bar chart below about the proportions of people in different age groups in Botswana and in China.

Complete the sentences below.

1. In 2002, more than 40% of people in _____ were under 14 or under.
2. In 2002, the proportion of people over 65 was bigger in _____ than _____.
3. In China in 2002, nearly 70% of people were between _____ and _____ years old.
4. In 2002, the proportion of people over 65 in Botswana was approximately _____ the proportion of those in over 65 in China.

4 Answer the questions about the data in this pie chart.

1. What proportion of children enjoyed karate more than other sports? _____
2. Which sport did the highest proportion of children like most? _____
3. Which two sports did equal proportions of children prefer? _____
4. Which sport did a higher proportion of children enjoy, swimming or baseball?

5. What proportion of children preferred something other than the top six sports?
