

We can make...

Inferences

Information from

Background

= INFERENCE

Thinking about a character's

Thinking about how a character handles

Thinking about what a character

We Infer by...

using from the text

Thinking about what we already

Thinking about our own

Thinking about how a character

When we make inferences we go beyond the author's word to understand what is not said in the text

Thinking Stems

- Maybe
- Perhaps
- It could be that ...
- This could mean ...

- I predict ...
- My guess is ...
- I infer ...

Inferring is using text and your background knowledge to put the pieces together!

Drawing Conclusions - take information from the text and come to a new understanding
