

MY FAVOURITE DAY

writing task

1. Read the blog post by Daisy. What is her favourite day?

My favourite day

On my favourite day I get up at 7 a.m. and listen to music. I meet my friends at 8.15 and we walk to school. We often talk about our plans for the weekend. 😊

Lessons start at 9 a.m., with Music, then Art – my favourite subjects! At lunchtime, I sometimes play table tennis. 😊

In the afternoon, I usually go skateboarding in the park with my friends. In the evening, we often watch music videos!

Guess what my favourite day is. Yes, it's Friday!

The blog post includes information about school lessons and other activities.

2. Write a blog post about your favourite day. Use Daisy's post as an example.
