REORDER THE CONVERSATION

Meeting somebody and arranging to go out

	I do. Do you like coffee?
1	Hey, how are you?
	That's cool. So you also like buying things online, huh?
	We should go grab one sometime.
	I'm great. How are you doing?
	I'll also stay home and do some online shopping.
	Ok. Talk to you soon. See you later!
	What are you gonna do on the weekend?
	I'm sure they'll be so nice. Let's go grab one as soon as we can arrange.
	Well, I guess I'm just gonna stay home and watch some movies, maybe buy some stuff online. What about you?
	Amazing. I'll talk to you later.
	Oh my God. Yes. I love coffee. I'm addicted.
	Well, I'm glad to hear. I'm great, too.
